

## YOUNG ADULT MINISTRY COMMISSION

The Young Adult Ministry Commission is continuing its work providing a means for young adults of the Diocese to gather together for fellowship, mission and worship. We have developed an active Facebook online group which we use to coordinate gatherings and disseminate information. Currently we meet every other Friday for pizza at Pazzo's in Lexington, and monthly for Canterbury Pub (in conjunction with the Campus Missioner). The group is found on Facebook by searching for "Lexington Young Adults" and has information regarding all of our events. Our calendar is also available on Google Calendar, which is linked from our Facebook page.

Vocare #6 is scheduled for June 6-8<sup>th</sup> at the Cathedral Domain. Vocare is a weekend retreat for young adults that provides opportunities for spiritual renewal and discovery. More information is available at [www.vocare.org](http://www.vocare.org).
